

ALEXANDER HOUSE NEWSLETTER NUMBER 9

Welcome to newsletter number nine. We begin with the news that in March Eden paid us a visit and brought her new baby, Prince, to meet us. It was good to see them both looking so well.

March also saw the visits from Ellie and Ilona continuing and we were pleased to welcome two new volunteers, Katherine

and Paula. We hope they enjoy coming here as much as we enjoy having them.

In April we had a performance by Connaught Opera who entertained us with lovely music along with lots of costume changes. Everyone really enjoyed it.

Diana's nephew came to give a demonstration of a foldaway mobility scooter which was very interesting and the staff had great fun trying it out. Another donation was made to Embracing Age and will say that the cards are still on sale at a reasonable price.

We welcomed a new resident named Derek and hope he will be happy here. At Easter we were treated to baked salmon and an Easter egg while out in the

garden the wisteria put on a fine show.

Two of the residents had birthdays in May, Rosemarie and Maureen and a new resident joined us. Her name is Kay and we also have a new staff member called Lavina. Both are very welcome and hope they will be happy here

We end this newsletter by saying that Donna and Richard are to take a well earned holiday. They can be sure that the house will run smoothly while they are

away so can sit back and enjoy
themselves.

That's all for this newsletter which was
written in June 2019. Hope you enjoyed
reading it.
